**GRUNDY CO.,TN John MULLINS, born in VA in 1782, moved (probably from Giles Co., Virginia) with his brother, Mathew MULLINS (1779) to Bedford and Coffee (later Grundy) Counties. John Mullins lived in Grundy County near the town of Pelham and ran a mill on the Elk River. Mathew Mullins lived in Bedford County near the town of Wartrace and ran a mill on the Duck River. Their sister, Mourning Mullins Davidson (1790) married Robert Louis Davidson, and lived in Franklin Co., TN, probably on Rock Creek. Would like to hear from anyone researching this family. Connected with Arnold, Simmons, Lasater, others.**
