>Topic: Lockhart, Kell and Baine? families

>

>Comments: My grandmother was Stella Lee Lockhart born in Tracy City,

>TN in 1901. Her father Sidney Johnson Lockhart and his wife Sally

>Kell Lockhart moved to Hartford, Arkansas around 1906. I know a

>little about the Lockhart family there but on the Kell family I have

>very little information on. I think Sally's mother went by the name

>of Sara Baine at least later in her life and there was also a Farley

>Kell but I am not sure where he lived.

>I visited Tracy City in the mid 1980's and meet Wilson Lockhart and

>his wife. I thought Tracy City was such a pretty place and hope to

>return there someday. Any information or photos you have on any of

>these families would be greatly appreciated. Thank you, Leisa

>I am very impressed with your wonderful web site!!
